No. 4.—In connexion with the admission of candidates to the Prince of Wales' Royal Indian Military College, Dehra Dun, the following information is published for the use of intending candidates :—

(1) The college will provide a public school education on English lines for Indian and Anglo-Indian youths who desire subsequently to enter the Royal Military College, Sandhurst, with a view to obtaining commissions in the Indian Army. It is intended for those who wish to make the army their profession in life. The course of study at the College will, however, be such that, should a boy fail in the examination for entrance to the Royal Military College, Sandhurst, he will be in as good a position to pass the University entrance examination as if he had been educated at an ordinary school.

(2) Candidates will be accepted from—

(*a*) Provinces of British India ;

(*b*) Indian States.

Nominations will be made by His Excellency the Commander-in-Chief on the recommendation of the Local Government or Administration or the Political Officer, as the case may be.

(3) Candidates must be under 12 and over 11 years of age on the 1st December 1927.

(4) Candidates should attach to their applications a medical certificate from the Officer Commanding a British or Indian Station Hospital or a Civil Surgeon to the effect that they are physically fit in all respects in accordance with Appendix A to this notification.

(5) The fees will be Rs. 1,500 for each school year and are liable to enhancement hereafter, if circumstances require. The fees payable by candidates who are sons of Indian Officers of good service will be determined by His Excellency the Commander-in-Chief in each particular case. These fees will include tuition, messing, school servants, washing and mending, and medical attendance of the ordinary kind, and, as initial provision, one suit of the uniform to be worn by students when at the college.

Full fees for a College term (January to May or August to December, as the case may be) will be charged whenever a parent or guardian fails to give to the College authorities a full term's notice of the withdrawal of a cadet.

In the event of it becoming necessary for cadets to be admitted into a civil hospital, all charges incurred will be borne by the parents or guardians of the cadets.

(6) Parents or guardians of candidates are required to attach to the applications a declaration in the following form :—

"I, _____, father / guardian of _____, a candidate for admission to the Prince of Wales' Royal Indian Military College, Dehra Dun, having made myself acquainted with the fees payable at Dehra Dun and, subsequently, at the Royal Military College, Sandhurst, am able and willing to pay the prescribed fees and meet the incidental expenses.

"It is my intention to make the Army my son's / ward's profession in life.

*Signature of parent or guardian*_____."

The estimated expenses of Indian cadets at the Royal Military College, Sandhurst, as recently revised, are published for information as Appendix B to this notification.

(7) One general mess will be maintained. All students will be required to mess together. Special care will be taken that no food is served in the mess which could in any way offend the religious susceptibilities of any student.

(8) All applications should be submitted to the Private Secretary to His Excellency the Governor of Madras, Madras Governor's Camp, not later than the 15th November 1927 in the form below. No applications received after the 15th November will be considered.

EUROPEAN SCHOOL-LEAVING CERTIFICATES HIGH SCHOOL EXAMINATION, NOVEMBER, 1927.

INSTRUCTIONS FOR THE GUIDANCE OF HEADS OF SCHOOLS IN REGARD TO THE SUBMISSION OF CERTIFICATES FOR COMPLETION

Heads of schools are requested to read very carefully the instructions relating to the submission for completion of European School-Leaving Certificates due in the office of *the Commissioner for Government Examinations, The Old College, Cathedral P. O., Madras*, by the 3rd January 1928, and to see that every item is attended to carefully.

2. Although the 3rd of January is the latest date fixed for the submission of certificates, it will be an advantage if the certificates can be sent as early as possible in December as this will facilitate the preliminary arrangements for tabulation. Heads of schools are accordingly requested to be good enough to send the certificates at as early a date as practicable. The certificates should not be sent in instalments; all the certificates of a school should be sent together.

3. The certificates should be sent, preferably by registered post, packed in stout long-cloth or other suitable material; parcels in which *paper* is used for packing are frequently damaged in transit, and arrive in a mutilated state.

4. In cases where the certificate of a candidate for the High School Examination is not to be sent, by reason of the pupil having absented himself from the Public Examination or having failed to fulfill the conditions regarding attendance, etc., a letter explaining the circumstances should be submitted, the certificate number and name of the pupil being mentioned therein.

5. Errors of omission and commission with regard to the entries in the certificates should be carefully avoided; the omission of a necessary entry or the existence of an incomplete or incorrect one, necessitates correspondence and the progress of tabulation work is retarded which results in the certificates being detained.

6. Heads of institutions are particularly requested to look at each page of the certificate and carefully scrutinize the entries with a view to supplying omissions or rectifying mistakes. Alterations, should invariably be attested with the Headmaster's initials.

7. In cases where pupils have been exempted by the Director of Public Instruction or the Inspector of European Schools, as the case may be, from the age rules or from showing school record, or have been granted condonation of break or excused shortage of attendance, the number and date of the orders of the Director of Public Instruction or the Inspector of European Schools should be quoted in the appropriate place in the certificate, e.g., on page 2 of the certificates against date of birth in the case of age exemption, so that the completion of the certificate may not be objected to. It is requested that the orders may be sent in *original* for ready reference; they will be returned along with the certificate; citation of the number and date of the communication in the certificate should not be omitted although the communication itself is sent to the office in original.

8. Heads of schools are particularly requested to see that the standard-average is entered in all certificates sent for completion and that the entry made is correct in all cases. Certificates in which the entry relating the standard-average is omitted or incorrectly made will be returned.

9. It is requested that the report in the annexed form may be sent along with the certificates. A separate communication advising despatch of the certificates is not necessary.

(4) The signature of the pupil has been obtained and the Headmaster has affixed his signature for each term of pages 6, 7, 11, 13 and 15, etc., where school marks have been entered in the certificate.

(6) All corrections in each certificate have been attested, and that all the instructions contained in letter R.O.C. No. 374 of 1927, dated 27th September 1927, of the Inspector of European Schools have been carefully attended to.
